

expectation of privacy and safety, so please respect the privacy and safety of others.

Every community on Reddit is defined by its users. Some of these users help manage the community as moderators. The culture of each community is shaped explicitly, by the community rules enforced by moderators, and implicitly, by the upvotes, downvotes, and discussions of its community members. Please abide by the rules of communities in which you participate and do not interfere with those in which you are not a member.

Below the rules governing each community are the platform-wide rules that apply to everyone on Reddit. These rules are enforced by us, the admins.

Reddit and its communities are only what we make of them together, and can only exist if we operate by a shared set of rules. We ask that you abide by not just the letter of these rules, but the spirit as well.

Rules

Rule 1

Remember the human. Reddit is a place for creating community and belonging, not for attacking marginalized or vulnerable groups of people. Everyone has a right to use Reddit free of [harassment](#), [bullying](#), and threats of [violence](#). Communities and users that incite violence or that promote hate based on [identity or vulnerability](#) will be banned.

Rule 2

Abide by community rules. Post authentic content into communities where you have a personal interest, and do not cheat or engage in content manipulation (including [spamming](#), [vote manipulation](#), ban evasion, or subscriber fraud) or otherwise interfere with or disrupt Reddit communities.

Rule 3

Respect the privacy of others. Instigating harassment, for example by revealing someone's [personal or confidential information](#), is not allowed. Never post or threaten to post [intimate or sexually-explicit media](#) of someone without their consent.

Rule 4

Do not post or encourage the posting of [sexual or suggestive content involving minors](#).

Rule 5

Rule 6

Ensure people have predictable experiences on Reddit by properly labeling content and communities, particularly content that is graphic, sexually-explicit, or offensive.

Rule 7

Keep it legal, and avoid posting illegal content or soliciting or facilitating [illegal or prohibited transactions](#).

Rule 8

Don't [break the site](#) or do anything that interferes with normal use of Reddit.

Enforcement

We have a variety of ways of enforcing our rules, including, but not limited to

- Asking you nicely to knock it off
- Asking you less nicely
- Temporary or permanent suspension of accounts
